19:02:05 From Justin Everman, McKinley Biz Asscoc, Lux Coffee : Reacted to "Link to apply." with 👍

19:02:12 From Sandesh Sadalge Planning Commissioner District 4 : Reacted to "Link to apply." with 👍

19:07:53 From Galaxy Note10+ : Are our police officers taught the United States Constitution us in depth?

19:09:54 From Lt Shawn Malott, TPD : To Galaxy Note 10+, yes we are taught some overviews of the Constitution, but specifically sections relating to Law Enforcement. Hopefully most people learn a bit about the Constitution in High School and College, but I guess that varies!

19:14:14 From Galaxy Note10+ : I think we need to really go in depth of the first Ten amendments as the United States Constitution is very short and if our Peace Officer's should be well vers in our laws they are sword to when becoming a Peace Officer in the State of the and within the City of Tacoma. Thank You for all your support and help 🙏

19:16:15 From Vanna Sing, Tacoma Healing Awareness Community :  
<https://facebook.com/events/s/we-are-who-we-are-waiting-for-/363406706386628/>

Hello. My name is Vanna Sing with Tacoma Healing Awareness Community. Wanted to stop by and invite you Eastsiders to our event this Saturday. We are bridging the gap to civil legal aid, resources and tools for individuals who are ready for their next level of life. I'll be sharing my experiences with racism and how spirituality saved my life. I am a survivor of many things and one is gatekeeping in Tacoma Pierce County. If your interested in learning more, consider joining us at 10am this Saturday! Thanks ENAC 🙏❤️

19:19:07 From Tara Scheidt - Vice President : It is great to see you Vanna. Please feel free to share your info on the ENACT social media pages so folks can connect with you and get all of the details.

19:22:38 From Lynnette -President : Thank you Vanna

19:24:30 From Tim Fairley : I will be attending the Tacoma Healing Awareness event and I'm also give a personal invite to everyone.

19:24:44 From Tim Fairley : Reacted to <https://facebook.com...> with "❤️"
