Presentation: This month the Eastside Neighborhood Council Board of Directors has a request from the Department of Housing and Urban Development to meet and speak about the goals in our district. The senior housing analyst overseeing the project will attend the meeting to learn what priorities are in the area we represent in regard to living and walkability and what our vision looks like with our ideas implemented. The ENACT chair will call each board member in roll call style and ask them to report on three priorities. This conversation will get the ball rolling and make community members excited. Meeting attendees will then be encouraged to share their ideas.
