01:11:43 nancy: It's an empty property on the east side of mickinley ave, between 72nd and 84th

01:13:27 Bobby Ocasio (ENACT BOARD MEMBER): That sounds like it would be on county property and not city.

01:14:22 nancy: The property was a brothel back in the 90's, since then twas a derelict building, with homeless living on the property when it wasn't a marsh. This year, the house was bulldozed, but the property was never cleaned up. You can see all the debris from the road.

01:28:24 Bobby Ocasio (ENACT BOARD MEMBER): I used to be on the HOT (HEAL) Team. 311 reports are one of the first things I would look at in the mornings when I got to work before we made the plan for the day. We were required to respond to all 311 reports for homelessness in person. Not sure if thats still how it is done, but that's how we did it. So, put in 311 reports at all hours.
